

SMARTANK®

VAN SYSTEM KIT

The Smartank® 650 Litre Window Cleaning Package, is the most popular business package for the many two-man operators. With these low profile tanks and by installing a false floor, the van load area can still be utilised for a multitude of purposes and the transport of other needed equipment.

Kit Includes

- Dual Operator Smartank® 650 Flat Reverse Osmosis + DI System
- Secondary Floor Installation to take up to 250kg of equipment
- Split Charge Pro Relay System to charge battery whilst driving
- 22ft & 45ft Streamline® OVA8® Carbon Fibre telescopic poles and brushes
- Streamline® IPR6 Internal Pole Rack system – Roof Mounted
- Electric Powerdrive Hose Reel + Freestanding Stainless Steel Hose Reel with 100m of 8mm Hi-Viz Streamline® Hose
- Black Linex Polyurethane Waterproof Floor Coating
- Water-proof Internal Poly Lining Kit for Van Walls
- Load Restraint kit for securing load and Streamline® nook system
- Internal LED light on swivel base
- Stainless Steel Bumper Port to allow the operator to work with vehicle locked
