TECHNICAL DATA SHEET

Streamwash Universal Cleaner

OVERVIEW

This highly effective, algae cleaner contains a unique blend of naturally derived surfactants.

This unique formulation provides superior performance on the removal of surface contaminants such as algae, mould, grime build-up and dirt.

Ideal for use on :

- Paths & Patios
- Decking (composite & timber)
- Walls & Roofs
- Garden Furniture
- Concrete
- Driveways
- Rendered Housing
- Artificial sports surfaces

BENEFITS

- Powerful and effective
- High concentration formula
- Does not discolour the surface
- Suitable for use on most surfaces
- Low odour
- Contains no bleach or ammonia
- Helps to remove natural contaminants such as algae, mould and lichen
- Biodegradable

SURFACE PREPARATION

Surface should be dry.

Brush away leaves, debris, and any heavy growth prior to cleaning to ensure optimum performance.

PRODUCT CHARACTERISTICS

Colour	Clear to Pale Yellow
Odour	Minimal
Form	Liquid
PH	6.5-8
Coverage	4 - 7m ² /litre
Specific Gravity @ 20°C	0.957
Shelf Life	24 months from the date of manufacture in the original unopened container
Application Temperature	Min 5°C : Max 25°C

APPLICATION

Shake well before use do not mix with any other products.

Always test a small hidden portion of the substrate before use, to ensure the final result is satisfactory and to calculate consumption.

Dilute as follows :

Ground contamination such as paths, sports areas and driveways - Dilute 1 part cleaner to 50 parts water.

Render and render composite - Dilute 1 part cleaner to 40 parts water.

Roofs and heavily contaminated areas - Dilute 1 part cleaner to 25 parts water.

Apply using a brush, spray nozzle, water fed pole or even a watering can, ensuring the surface is saturated at a rate of 4 - 5 m² per litre for horizontal surfaces and up to 7m² per litre for vertical/ sloped surfaces.

Leave product to work.

For best results rinse the surface after 7 days with a pressure washer.

TECHNICAL DATA SHEET

Streamwash Universal Cleaner

IMPORTANT / LIMITATIONS

Keep children and pets away until the surface is completely dry.

Do not apply in damp/wet conditions, if rain is expected within 12 hours of application or when air temperature is <5°C.

Not intended as a treatment for lawn moss, flower beds or pond water algae treatment.

Do not allow to come into direct contact with plants, shrubs or lawn - in the event this does happen wash down with clean water.

PRECAUTIONS FOR USE

For Health & Safety instructions, first aid measures, spillages and disposal instructions, see separate Health & Safety Data Sheet (MSDS)

CLEANING OF EQUIPMENT

Remove as much excess product as possible and clean tools and equipment immediately after use with soapy water.

STORAGE

KEEP OUT OF REACH OF CHILDREN. Store locked up. Keep in a dry place between 5°C and 30°C in the original container.
