

STREAMVAC™ S3

PRODUCT CODE - WV-S3-230-051

The Streamvac™ S3 is a heavy-duty wet & dry vacuum. It is lightweight and easy to carry. Designed for professional gutter cleaning. With 1700W of suction power and a 37Ltr drum, it handles tough, wet debris with ease. Its rugged frame, large inlet, and dual plug options (UK & EU) make it a reliable, ready-to-use solution for contractors across the UK and Europe.
