

Hose Reel Swivel Mount Bracket

HP-GP2100379

STREAMLINE
INFORMATION SHEET

Wall bracket to mount HP-HRM050/100/150/200 and HP-HRM100D/150D Series Hose Reels.

This wall bracket is your solution. The wall bracket offers a neat and tidy finish while protecting your lifetime of your hose.

This bracket keeps your hose reel from touching the ground, in order to prevent damage to the reel and hose when not in use, also freeing up valuable floor space. Centre mounting holes attach directly to the wall stud, and four outside mounting holes anchor to your wall, trailer, or ceiling surface.

Features:

- Easily and safely mount your hose reel to the wall
- Built-in plate swivel with ball bearings allows smooth and complete rotation
- Lock-on plates keeps your hose reel from rotating when you don't want it to
- Power coated all-steel construction, for durability, strength, and lasting protection
