

This is a versatile and rugged little work horse, capable of meeting the most demanding outdoor tasks on hand such as cleaning of gutters, cladding, wall surfaces, signs, decking, patios, paths and driveways, to name a few.

The well-proven Honda GX160 petrol engine coupled to a well-known Interpump triple plunger pump, along with industrial grade single lance, hose and other hardware means that this machine is your reliable number one for commercial work, day in and day out. The compact yet robust trolley enables this machine to be easily transported to and from site.

This machine is the perfect partner for gutter cleaning applications using telescoping wands or for turbo nozzles, rotary brushes and other attachments where single nozzles are used.

Specifications and Benefits include:

- GX160 Honda engine, recoil or electric start
- Interpump triple plunger pump with built-in unloader valve - for smooth & reliable operation
- 36" Heavy duty steel chrome single lance with quick connector - for easy nozzle changes
