

Due to its compact size and the fact all components are housed within the tank footprint, the ECOSTREAM™ takes up little room, even in smaller vans, allowing space for other equipment. Supplied ready for use / easy installation

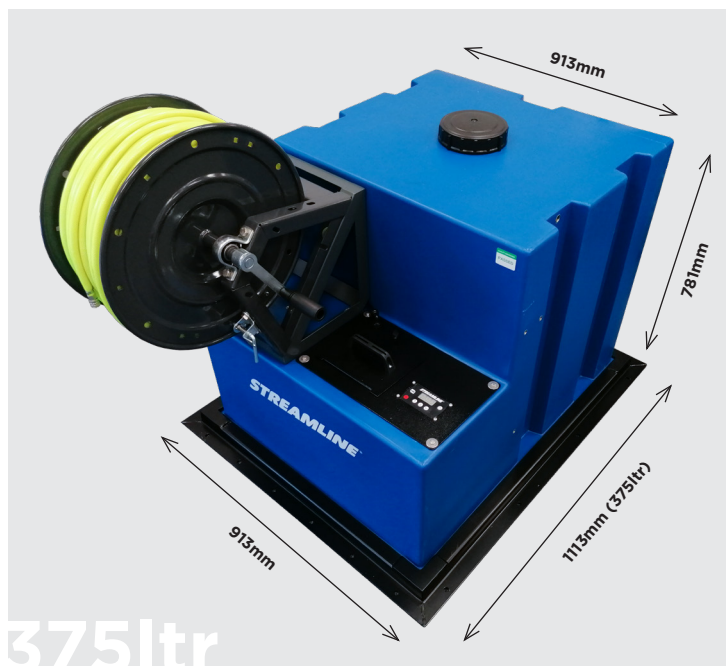

The ECOSTREAM™ range of tank systems represent excellent value for money and can be fixed into vehicles permanently without the need of a stainless steel frame to do so. This allows significant savings to be made over against traditional systems, without compromising on the professional image that window cleaners always strive for. These tanks are constructed as water delivery systems, or DI filtration baffled to restrict water movement in transit and contain a lithium ion battery which can be easily removed to recharge. (No need of complex split charge required)

ECO375

Part No.	Description	Weight
ECO375-02	ECOSTREAM™ 375 Ltr System with Pump, Controller and 50-mtr Hose Reel	57.5kg
ECO375-03	ECOSTREAM™ 375 Ltr System with Pump, Controller and 100-mtr Hose Reel	75.5kg
ECO375DI-02	ECOSTREAM™ 375 Ltr System with Pump, Controller, DI Filter and 50-mtr Hose Reel	65.5kg
ECO375DI-03	ECOSTREAM™ 375 Ltr System with Pump, Controller, DI Filter and 100-mtr Hose Reel	83kg

Supplied complete with New lithium Ion battery which can be easily removed to recharge.

(No need of complex split charge installation required)

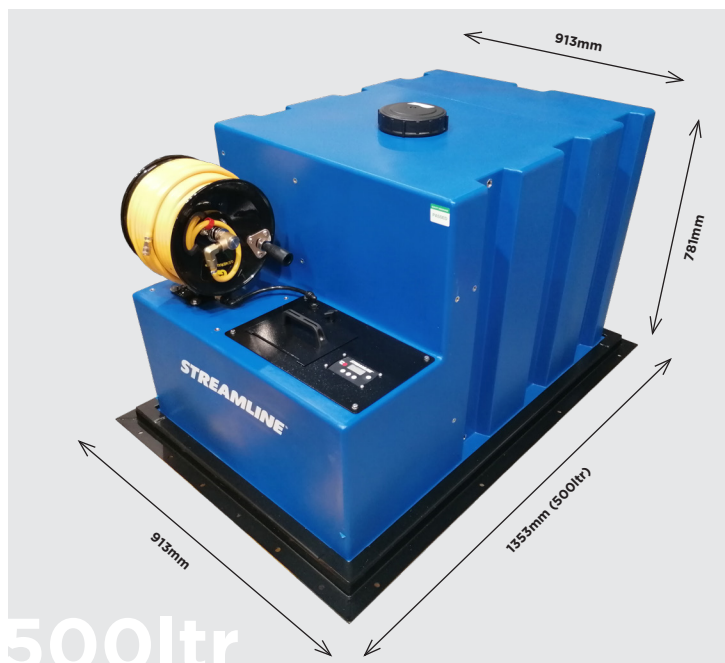

ECOSTREAM™

It doesn't cost much to have a professional image

The kit Includes:

- 375Ltr or 500Ltr tank
- 1 x STREAMLINE® SFC16 Digital Controller with battery voltage level
- 1 x STREAMFLO® Pump 12v 100PSI / 5.2LPM c/w Inline Filter
- 1 x STREAMLINE® Lithium-ion compact removable battery with USB port to charge your phone (8 hour continuous run time / 5 hours charge time)
- 1 x Fixed hose reel with either 50m or 100m of STREAMLINE® hose and microbore couplings
- Delivery system (No Filtration) or DI Filtration
- 1 x 4 sided z-profile securing flange

ECO500		
Part No.	Description	Weight
ECO500-02	ECOSTREAM™ 500 Ltr System with Pump, Controller and 50-mtr Hose Reel	69kg
ECO500-03	ECOSTREAM™ 500 Ltr System with Pump, Controller and 100-mtr Hose Reel	86.5kg
ECO500DI-02	ECOSTREAM™ 500 Ltr System with Pump, Controller, DI Filter and 50-mtr Hose Reel	77kg
ECO500DI-03	ECOSTREAM™ 500 Ltr System with Pump, Controller, DI Filter and 100-mtr Hose Reel	94.5kg

Supplied ready for use and easy installation

Just connect your Waterfed Pole and start work!
