

STREAMLINE | SPECIFICATION SHEET

ECOSHINE™ WINDOW CLEANING KIT

The Ecoshine™ is a telescopic tool for cleaning indoor windows and other washable surfaces. It is sturdy, manoeuvrable and easy to use.

Combining the cleaning power of pure water and microfibre, the Ecoshine™ can remove any kind of dirt from windows and other non-porous surfaces, with rapidity and minimal effort.

This superb kit significantly reduces operating times, it's lightweight, compact and easy to use, which provides ease of access to small and awkward surfaces, and there is no need to dry surfaces after cleaning.

Areas Of Use Include

- Partition Walls
- Mirrors & Showers
- Ground Windows
- Shop Windows
- Display Cabinets
- Public Transport
- Digital Signs
